Hi Nate,

On which group is officially asking for the dedication, it is the Neighborhood Council and Vitalization. I will be sending you a description summary for Westchester Vitalization Corporation to you shortly.

Thanks for your help on this.

Mason

Hello team,

We can introduce a motion that will make this official.

Pls send me the following:

-the exact proposed name of the room -

-bio of Howard and Jewel Drollinger.

-which group is officially asking for the dedication (I'm assuming Westchester Vitalization) and a description summary of the asking group

Thanks

Nate

Dear Councilmember Bill Rosendahl,

The Westchester Vitalization supports the dedication of the Westchester Community Room in honor of Howard and Jewel Drollinger. Mr. Drollinger was a lifelong supporter of the local community, and he helped shape the commercial heart of Westchester. He was instrumental in providing economic development, fighting LAX expansion, and supporting beautification projects within the community.

The Westchester Community Room is an important place for the residents of Westchester Playa de Rey to gather for various types of events. The Westchester Vitalization hopes to continue the legacy of Howard and Jewel Drollinger with the renaming of this community space.

Regards,
Mason Shayan
President
Westchester Vitalization Corporation
